

5<sup>th</sup> June 2026

Dear Parents/Carers

As part of our Personal, Social and Health Education programme we deal with a number of issues, including growing up and changes to the body, relationships, conception and the birth of a baby.

Year 5/6 teachers will be leading these sessions on Wednesday 10<sup>th</sup> June for Year 6 pupils and your child may, therefore, come home and ask you questions relating to these topics. We use the "Living and Growing" materials.

You have the right to withdraw your child from the Sex Education and Relationship lessons, where this is not a part of the Science programme. If you wish to withdraw your child from these lessons, please call to speak with the Headteacher.

If you wish to view the materials used in school or have any questions, please contact the office and we can arrange this.

Yours sincerely

Mrs R Ayres  
Headteacher
