

YEAR FIVE AND SIX EDUCATIONAL VISIT TO BOSWORTH BATTLEFIELD

Objectives

St Mary's Church of England Primary School has a strong commitment to the added value of learning beyond the school premises by the use of carefully planned Educational Visits. Every child has an entitlement to a wide range of educational experiences. St Mary's Church of England Primary school has a role to provide a broad and balanced curriculum that promotes spiritual, moral, social, cultural, mental and physical development and prepares young people for the opportunities and experiences of adult life. Each year the school will arrange a number of activities that take place off the school site and/or out of school hours, which support the aims of the school, as well as providing first hand experiences and bringing the curriculum to life.

Aims

This was a pivotal moment in history that led to the rise of the Tudor dynasty
