

17th March 2022

Dear Parents/Carers

As part of the Cambridgeshire PHSE scheme, which we follow in school, your child will be learning the correct anatomical vocabulary for their body parts in next week's lesson. These will be referred to as 'doctor' words.

It is really important that the children learn the correct terminology although we are aware that willie and minnie may be more usual terms. As exemplified in the scheme, the children will be taught penis, testicle and vagina.

Should you have any questions, please speak to your child's class teacher.

Yours sincerely

Mrs R Ayres
Headteacher
