

13th October 2021

Dear Parent/Carer

We have a confirmed positive case of COVID-19 in Foundation and the Local Authority have advised us that we ask parents of Foundation children to administer a Lateral Flow Test with their child.

In Hinckley, the infection rates are high and between 6 October 2021 and 12 October 2021, **634** people had a confirmed positive test result. This shows an increase of **20.3%** compared to the previous 7 days.

If your LFT at home gives a positive result, your child must:

- Self-isolate straight away - check if the people you live with need to self-isolate
- Report your LFT result as soon as possible
- Get a PCR test via <https://www.gov.uk/get-coronavirus-test>

Continue to self-isolate until you get the result of the PCR test. Follow the advice you are given when you get the result.

Many thanks for your support in keeping our school community safe.

Kind regards

Mrs Ayres
Headteacher
