Dear Parents and Carers

St Mary's and Active Together are committed to supporting children and young people to be regularly physically active, for the benefit of their physical and mental health.

We believe that every child and young person should have the opportunity to learn basic skills to support them to be physically active for life. One of those key skills is the ability to ride a bike.

We are now in the lucky position to have been gifted 10 brand new bikes and helmets, which we can loan to the children for half a term. Unfortunately, the size of the bikes on loan are only suitable for children in Year 2 to Year 6 so Foundation and Year 1 children are not eligible on this occasion.

If you would like your child to have the loan of one of these bikes, please complete the slip below and return to school no later than Friday 19th May 2023. Those lucky enough to be selected will be notified by text message.

Thank you as always for your support.
