Dear Parents/Carers

Christmas is fast approaching and it is hard to believe that it will be December next Thursday. This year, as in previous years, we would like to host 'Live Advent' in school again, in the countdown to Christmas Day. In the same way as you open a traditional Advent calendar with the children in the run up to Christmas, we have planned a fun event/activity to take place on each school day until the end of term. The events and activities are listed below and for the ones typed in **red** we would really appreciate your support.

1st December	Can we make some Christmas bunting to decorate the school railings to put us in a festive mood?
2nd December	Grab your Elf hat or ears if you have some, we are off for an Elf walk today!
5th December	Dress up in Christmas colours today - red, white, green, gold or silver!
6th December	Get into the pantomime spirit today. We are off to the Belgrade to see, 'Jack and the Beanstalk'.
7th December	Christmas colouring competition day. Who is the best at colouring in each class? Entries will be judged on 15th December. There will be a prize for each class.
8th December	National Christmas Jumper Day -Wear a Christmas jumper or cardigan to school today instead of your school jumper. If you haven't got one, why not decorate one that you have already got at home or buy one from the Christmas Jumper sale on 5th and 7th December.
9th December	Christmas Stem Challenge.
12th December	Please bring an orange and some loose change. We will be making a Christingle for our Collective Worship service and sending our loose change to the Children's Society.
13th December	Let's learn a fact about Christmas from around the world.
14th December	Wear your onesie or favourite pyjamas today for a Christmas story by the fire!
15th December	Making Christmas cards for elderly members of our school community.
16th December	Dress up as a Rockstar for the Rock Kidz Christmas Party today.
19th December	Class Christmas Quiz.

If you have any queries about any of the above, please see your child's class teacher.
Thanking you in anticipation of your continued support.
