

PIANO & RECORDER LESSONS AT ST. MARY'S

Dear Parents

We are very excited to be able to offer piano and recorder lessons here at school, with Mrs Wykes, an experienced music teacher.

The lessons would take place on a Friday afternoon during school time, details of which are below.

PIANO LESSONS – YEARS 3-6 ONLY

Piano lessons – an individual 20 minute lesson after lunch at **£8** per lesson. There will be a requirement for parents to purchase **John Thompson's Easiest Piano Course: Pt. 1 (Book & Audio) (Book & CD)** which is currently priced at £5.99 on Amazon.

RECORDER LESSONS – YEARS 2-6 ONLY

Recorder lessons – a 20 minute lesson during lunch for a group of 6 pupils at **£2** per each child for each lesson. Children will need their own recorder and a **Red Hot Recorder** book. The book currently retails at £6.71 on Amazon.

Please note that prices of books are there to give you an idea of outlay and can change.

If there is enough interest, the lessons will start after the Easter break week commencing April 20th. Please complete the attached form and return this to the school office. Places are limited and will be offered on a first come first served basis on receipt of this form by office staff. You will be required to pay for lessons in advance, with the first block being 5 lessons. Payment will be activated on ParentPay during March.

Yours sincerely

Mrs Makepeace
Office Manager
