

20th March 2024

Year 4 Multiplication Tables Check (June 2024)

Dear Year 4 Parents and Carers

Children in Year 4 will be participating in the multiplication tables check in June (between Monday 3rd June and Friday 14th June).

The purpose of the test is to determine if your child can fluently recall their times tables up to 12.

It is an on-screen check, consisting of 25 times tables questions. On average, the check should take no longer than 5 minutes to complete. There is no 'pass mark' for the check.

Please help your child to prepare for the Multiplication Tables Check by encouraging them to practise at home. There are QR codes and website links on the reverse of this letter they can use to practise for the test.

Yours faithfully

Mr Roper
Years 3 and 4 phase leader

Headteacher: Mrs R Ayres
