

Dear Parent/Carer,

26th February 2026

We are thrilled to announce the launch of our brand-new **St Mary's Wraparound Provision**, called 'Early Birds and Night Owls' designed to support our families by offering childcare before and after the school day. Starting from **Monday 13th April 2026**, this service will be available to all pupils, providing a safe, nurturing, inclusive and engaging environment that complements our school day.

Our Wraparound Provision will include:

- Before school provision (7.30am-8.40am) – A calm and welcoming start to the day with a healthy breakfast, fun and engaging morning activities and a smooth transition into the school day.
- After school provision (3.15pm-6.00pm) – Areas within the school where children can enjoy a range of creative activities, active play opportunities, calm and relaxing spaces and healthy snacks and refreshments.
- After school short provision (3.15pm-4.30pm) – Areas within the school where children can enjoy a range of creative activities, active play opportunities, calm and relaxing spaces and healthy snacks and refreshments.

We believe this new provision will greatly benefit our families by offering continuity of care within the school environment, flexibility for working parents and carers, peace of mind and enriching experiences for our children.

Bookings can be made quickly and easily by using the Arbor Parent App (which is being rolled out to all parents this half-term). This will allow you to tailor what provision you require quickly, even the night before!

Thank you for your continued support. We are excited to offer this new opportunity to our school community which demonstrates we have taken into account your feedback and suggestions which we truly value.

We look forward to welcoming your children to Early Birds and Night Owls after Easter!

Yours sincerely

Mrs R Ayres
Headteacher
