

12<sup>th</sup> March 2026

Dear Year 4 Parents/Carers,

## Year 4 Multiplication Tables Check (June 2025)

Children in Year 4 will be participating in the multiplication tables check in June (these should take place between Monday 1<sup>st</sup> June and Friday 12<sup>th</sup> June).

The purpose of the test is to determine if your child can fluently recall their times tables up to 12.

It is an on-screen check, consisting of 25 times tables questions. On average, the check should take no longer than 5 minutes to complete.

**In June 2025, the average mean score across the country was 21. Across the country in June 2025, 37% of children achieved 25 out of 25.**

Please help your child to prepare for the Multiplication Tables Check by encouraging them to regularly practise at home. There are QR codes and website links on the attached sheet that they can use to practise for the test.

Yours sincerely,

Mr Roper  
Years 3 and 4 Phase Leader
