

29<sup>th</sup> August 2025

Dear Parents and Carers

As you may be aware, your child has been taking part in weekly ukulele lessons as part of the National Plan for Music Education.

Many of the children have really enjoyed their weekly lessons and have a flare for Music! Because of this, we would run the 'Ukulele Rocks Club' for them to continue in year 4 and 5.

The Ukulele Rocks Club will be every Monday lunchtime during school in term time only and will start in September 2025. There will be a fee for the sessions which will be dependent on numbers enrolled.

Miss Pattinson will be leading the session and has been teaching the violin and ukulele for 23 years and has taken many children through graded exams such as ABRSM and Rock School, GSCE and A level music on their instruments as part of the performance element of the exams.

Please be assured as an associate teacher at the Leicestershire Schools Music Service she has all the safeguarding training in place.

We can only do this if we know that we have enough children are interested. The club would be for a small cost each week to cover the tuition provided by Miss Pattinson.

If your child would be interested in taking part, then please contact Natasha directly via email to express your interest by 30<sup>th</sup> September. Email contact as follows: [npattinsonmusic@gmail.com](mailto:npattinsonmusic@gmail.com) or phone 07967397923.

Miss Pattinson will be on direct contact with you regarding the cost of the Ukulele Rocks Club once all interest has been shown and numbers are known for the session.

Yours sincerely

Mrs Jenkinson and Miss Pattinson  
Music Lead                  Violin/Viola and Ukulele Teacher  
                                         Associate Teacher of the Leicester-Shire Schools Music Service
