

It's Recycle Week! Can you be a recycling hero? Join the movement by recycling one item this week and making it into a Recycle Hero!

It could be a plastic bottle, cardboard box, or old newspaper. Each item counts towards a cleaner, greener future.

Bring your Recycle Hero into school by Wednesday 15th October. Give your Recycle Hero a name and write how it helps with recycling. Make sure to include your name and class.

There will be prizes, good luck!
