

2nd October 2025

Dear Parents and Carers,

At St Mary's, we aim for our opportunities to be creative, broad and varied so that pupils can achieve their best.

As you are aware, the cost of planning events and providing materials has gradually increased over the years and we now find that we need to ask parents/carers for a voluntary contribution towards these costs. The funds will go towards various expenses, including design materials, cookery ingredients and events throughout the year.

We politely request a voluntary contribution of £10 per child, for the year to be paid via ParentPay as soon as possible to enable us to plan the year. This contribution will enable us to provide pupils with an interesting and exciting learning experience.

Yours faithfully

Mrs R Ayres
