Dear Parents and Carers

Parent/Carer Information

Important Safeguarding Notice: Children's "According to Humphrey" Series Books

Some editions of these books include a printed web address at the back. This link used directs people to information about the books, but the domain is no longer under her control. It has since been taken over by another party and now leads to inappropriate adult content.

What this means for you:

- It is safe for children to continue reading the stories themselves — the concern is only with the outdated link.
- We recommend talking with your child about the importance of not following web addresses in books without checking with an adult first.

We will continue to share updates from the publisher as more information becomes available.

Yours sincerely
